Go to www.gardencitypta.org for details on these and other GCPTA committees and programs.

Fund Raising information

- **Membership's** primary goal is to encourage as many people as possible to support the PTA. A portion of the cost supports the operating budget.
- **School Pictures** are also a source of income for Garden City PTA. Please show your support by purchasing a package that suits your budget. You can even pay online!
- **Sportswear** offers items with a Garden City theme to encourage pride and spirit for our community. Funds from this fundraiser are divided among the schools and are given to our schools in the form of a grant.
- The primary source of GCPTA operating budget is the **PTA Dinner**. By holding the dinner and a few other fundraising events we eliminate the need for door-to-door fundraising campaigns. Be sure to mark March 8th on your calendar so you can plan to attend the dinner and support GCPTA. Look for more information on the PTA website at www.gardencitypta.org, flyers in backpacks and PTA eblasts on how to donate money or raffles to this event. Your support ensures the success of the dinner.
- **Plant Sale** is held in the spring. Like sportswear, funds are divided among the schools and are given in the form of a grant.
- **School Supplies** is offered as a convenience to parents. Volunteers work with the schools to compile supply lists, select products to ensure good quality and competitive pricing. The cost of the supply packs is rounded up to the nearest dollar.

Family Membership \$20.00

(Single Parent Household \$15.00)

Additional household members \$5.00
(grandparent, children, etc.)

By simply joining GCPTA, you are showing your support for **your child's** educational experience. In addition, you unite with nearly 6.5 million parents, educators and community members nationwide to advocate for the educational, social and physical well being of **all children**.

Other benefits:

- Sportswear – member gift with qualifying purchase
- PTA Dinner – discounted price for members
- Plant Sale – member discount
- PTA meetings to network, share ideas, experiences and concerns
- Enroll once each year. No need to join at each child's school.
- Additional benefits available at www.pta.org
