As an active PTA, Special Education PTA (SEPTA) offers parents help in understanding the special education system in our school district.

SEPTA coordinates parent information presentations led by professionals in the field of special education. Monthly SEPTA general meetings provide updated information and discussion of issues concerning all of the schools in our district. Notice of these meetings can be found in this calendar.

If you wish to join SEPTA as a member, or if you need contact information for SEPTA officers and school representatives, please go to the SEPTA webpage of the GC PTA web site:
