## Parent Membership 2011 – 2012

As the new school year begins, we invite all parents of Garden City students to join our organization. **SEPTA stands for Special Education Parent Teacher Association**, a part of the New York State PTA. We bring together parents, teachers, administrators, learning specialists and professionals with an interest in the special education of children.

Similar to PTA, SEPTA is a separate, not-for-profit organization that embraces all of the public schools in Garden City. Directors on our Board are parents from every school who represent SEPTA at the building level and on district committees. Through our grant program, SEPTA funds and facilitates many worthwhile programs for both special education and regular education students. SEPTA supports socialization programs at the elementary, middle and high schools, provides innovative reading and testing technologies and presents yearly awards to deserving high school special education students.

SEPTA Executive Board members and school representatives are listed in the school calendar and can be found this September on our SEPTA webpage in the Garden City PTA website: [www.gardencitypta.org](http://www.gardencitypta.org).

**One \$15 SEPTA membership in Garden City covers every school in our district.**

Thank you for being the “Parent” in SEPTA!
