

# INSPIRE the FUTURE

## Be a Guest Speaker at Stratford School's Career Day

The Stratford Site-Based Team is proud to announce that our first annual Career Day will be held on **Wednesday, January 19 and Thursday, January 20, 2011.**

It is our goal to:

- Inspire children to see the value of lifelong learning
- Encourage children to take risks and understand that sometimes working to achieve a goal requires resiliency and overcoming setbacks
- See the value in exposing yourself to a broad range of careers
- Have children interact

We would like to have volunteer guest speakers from various professions join us to teach our students how their dreams for the future can be brought to life. We are looking to expose the students to a broad range of interesting and exciting careers. All professions are welcome

If you or a member of your organization are interested in volunteering to be a guest speaker, please complete and return the Career Day form below in an envelope labeled "**Career Day, Attention: Site-Based**" **by November 30, 2010.** . This will allow us to schedule your presentation at a time that is most convenient for you. Please note that due to varying careers and schedules, you may not be speaking in your child's class. You will be invited to present to several classes for a few sessions or in a large group. Presentations should last approximately 20 minutes. **You will receive a finalized schedule and additional details approximately 2 weeks prior to Career Day.**

The Site-Based Team members hope you will join us in touching the future of Stratford's students. If you should have any further questions, please go to the PTA website.

We look forward to hearing from you!

Sincerely,  
Stratford's Site-Based Team
